

Ron's Story

My name is Ron. I am a deep-sea diver and currently live in the city of Orange. I've lived in Orange for approximately 1.5 years.

I could describe myself as hard-working, committed and patient. To be me in Orange County is to feel like a stranger in your own home. To feel like you're tolerated but don't really belong.

My biggest struggle right now is planning for the future and achieving financial freedom.

I like that Orange County is located between San Diego and Los Angeles County.

A hate-free Orange County looks like a respectful and peaceful solution to the huge homeless issue in Orange County. My advice to the residents of Orange County is to find a solution to the homeless population living in Orange County.
