IMPLICIT BIAS TRAINING

Over the past several decades, social science research has revealed that even the most well-intentioned people experience some degree of "implicit bias," the unconscious and often subtle associations we make between groups of people and stereotypes about those groups.

This 6-hour training will guide participants through a journey of personal exploration for an awareness of the shortcuts and subsequent perceptions we make about people and our surroundings. It will also provide basic skills, through transformative learning, to increase awareness about our cognitive biases and offer intervention strategies.

When: Wednesday, August 28th, 2019

Time: 9:00 - 4:00pm (1 hour lunch)

Location: OC Human relations Office
1801 E. Edinger avenue #150 Santa
Ana, CA 92705

Training fee: \$150/person
