

OC Human Relations

Building community by fostering respect, resolving conflict and pursuing equality

Our Programs Work

We create safe and inclusive schools and communities.

Safe Schools ♦ Anti-Bullying ♦ Hate Crime Education ♦ Police/Community Relations

♦ We provide dedicated professional staff, model programs, key relationships, and an outcomes-oriented approach to creating safe and inclusive school campuses and communities through our **BRIDGES Safe and Respectful Schools Program** and our multiple community engagement initiatives. ♦ Through our **Hate Crime Education Program**, we provide hate crime response and education programs to support victims and build awareness. ♦ Plus, we have a long history of partnering with law enforcement and community to promote community-oriented policing.

We develop diverse leaders.

Youth and Parent Leaders ♦ Community Empowerment ♦ Diversity Training ♦ Teambuilding

♦ Our **Community Building Program** develops diverse community leaders who engage in important decision-making processes with institutions that affect their lives. ♦ Our programs build understanding around our differences and bring people together.

We mediate conflict.

Free and Low Cost Mediation ♦ Crisis Response ♦ Mediator Certification

♦ Our mediation programs offer a positive approach to resolving conflict and utilize dialogue as an alternative to violence and litigation through our **Dispute Resolution Program**. ♦ We train and certify mediators. ♦ And, all of our mediation services are available free of charge to low-income residents.

We Make an Impact

We work with diverse groups of people who come together to create safe, inclusive communities that are free from violence, discrimination, harassment, and intergroup conflict. In just a year's time, we can:

- Reach over **25,000 students, staff, administrators, parents and community members** in partnership with schools from multiple Orange County districts.
- Unite over **600 students and teachers**, from over 30 schools, at our annual *Walk in My Shoes* Youth Conference.
- Graduate over **50 language-minority parents** in our *Parent Leadership Institute*.
- Train over **800 mediators** in advanced mediation workshops.
- Provide free mediation services to over **5,500 residents**.
- Engage volunteers in over **11,800 hours of service**.

Diversity Matters

We've been around for almost half a century, working in our community to bring people together. OC Human Relations is a nonprofit organization that works to **create mutual understanding among residents and eliminate prejudice, intolerance and discrimination in order to make Orange County a better place for ALL people to live, work and do business.**

We Believe

At OC Human Relations, we believe that ALL people should live free from violence, discrimination, or harassment. Living and working in a community that values respect for all is good for children, families, neighborhoods...and it's good for business.
